Safety and Health At Work

SUMMER Special

1. Stay Hydrated

Carry a water bottle and sip every 30–45 minutes. Add lemon or mint for a refreshing boost.

2. Work Smart, Not Hot!

Schedule heavy tasks during cooler hours—early mornings or late evenings.

3. Know Heat Stress Signs

Watch for dizziness, nausea, or rapid heartbeat. Rest, rehydrate, and cool down if symptoms appear.

4. Dress Light & Right

Wear breathable, light-colored cotton under PPE. Avoid dark colors that trap heat.

5. Protect Eyes & Skin

Use sunglasses and sunscreen (SPF 30+). Reapply often if outdoors.

6. Handle Tools Safely

Metal tools heat up fast—use gloves or cloth covers to prevent burns.

7. Eat Light, Stay Bright

Choose fruits, salads, and yogurt. Skip oily and spicy meals that slow you down.

8. Unplug to Stay Cool

Turn off unused electronics—they generate unnecessary heat.

9. Block the Sun

Keep curtains closed during peak hours to reduce indoor temperature.

10. Fan Hack for Cool Air

Place ice in front of a fan for a quick, homemade cool breeze.

11. Exercise Smartly

Stay active, but only during cooler times—early mornings or late evenings.

12. Travel Heat-Ready

Always carry water, a towel, and an umbrella when stepping out.

13. Buddy System Works

Check on coworkers during extreme heat to ensure everyone's safe.

14. Cool Down Your Neck

Wrap a wet cloth around your neck—it helps lower your body temperature.

15. First-Aid Ready

Keep ORS, cooling gel, and updated first-aid kits handy in hot conditions.

MR. ASHUTOSH KUMAR

मुझे अपने बारे में लिखने के लिए जो अवसर आप सभी के द्वारा प्राप्त हुआ है। वह मेरे लिए बहुत सम्मान की बात है इसके लिए मैं आभारी हूँ। मैं एक विशेष प्रदेश से सम्बन्ध रखता हूँ। अंग्रेजों ने आगरा और अवध को मिलाकर एक प्रांत बनाया और इसे United Provinces of Agra and Avadh कहा। 1935 में इसका नाम छोटा करके United Provinces कर दिया गया। जनवरी 1950 में United Provinces का नाम बदलकर Uttar Pradesh कर दिया गया। इस प्रदेश के हृदय में बसा प्राचीन मंडल आजमगढ़ है जहा मेरा जन्म हुआ। शुरुआती शिक्षा मैंने मेरे सुन्दर से गाँव सुरजनपुर में प्राथमिक विद्यालय से ग्रहण किया। अग्रिम शिक्षा मैंने आजमगढ़ में स्थित Wesley Inter College से उच्च माध्यमिक शिक्षा प्राप्त किया तत्पश्चात वहीं पर स्थित शिबली विश्वविद्यालय से स्नातक किया। सन 1995 में प्रथम बार मैंने मतदान में भाग लिया जिसने मुझे एक जिम्मेदार नागरिक होने का अनुभव करवाया।

ME with Ma

मई वर्ष 2000 में मैंने ONGC Ankleshwar Logging Services में Wireline Operator के पद पर कार्य आरम्भ किया, और निरंतर 6 वर्षों तक कार्यरत था। वर्ष 2004, 3 दिसम्बर को मेरा विवाह सुषमा संग संपन्न हुआ, अर्धांगिनी के रूप मेरी धर्मपत्नी को पाकर अत्यधिक प्रसन्नता के साथ जीवन के पथ पर अग्रसर हुआ।

वर्ष 2006, 4 फरवरी को महक के रूप में पुत्री की प्राप्ति हुयी। और फिर मेरे जीवन में वो क्षण आया जिसके कारण आप सभी के साथ मुझे कार्य करने का सौभाग्य प्राप्त हुआ। मैंने वर्ष 2006 में Trainee Operator पद पर HLSA में पूर्ण निष्ठा एवं लगन के साथ अपने कार्यकाल का आरम्भ किया, फलस्वरूप शीघ्र ही पदोन्नति प्राप्त करके Crew Chief बन गया। अपने वरिष्ठों के उचित मार्गदर्शन से मेरा निरंतर पदोन्नति अल्प अंतराल में होता रहा।

I went to Barmer for the first time in 2006 and was happy to see the same Excel 2K unit mounted on Ashok Leyland hippo truck. ONGC also used this type of logging unit.

During my initial days in the field, I worked with Durgesh Sir, Subhash Sir, Pravesh Sir, Bed Prakash Shiv hare, Sukhdeep Singh Joshan, Kuldeep Singh Chib, Deepak Yadav, BB Tripathi and many other engineers and got a lot of inspiration from them.

I worked with many senior crew chiefs in the field like Bijoy Chhetri ji, Jagdish ji, Rama Rao ji, Pujari ji, KP Rao ji and my favorite Guru Ji Mr. Sanjay Gupta Ji, I got very good guidance from these senior people.

वर्ष 2008 में मैं गांधीनगर आ गया यहाँ ONGC के BDA Project में कार्य करने का अवसर प्राप्त हुआ। इसी वर्ष मेरी द्वितीय पुत्री खुशबू का जन्म 27, मई 2008 को हुआ। वर्ष 2015 में 9 अप्रैल को मेरे पुत्र रूद्र का अवतरण हुआ। वर्ष 2017 में मेरा स्थान्तरण मुंबई में Foreman के पद पर Offshore Project में हो गया। वर्ष 2023 में मुझे फिर से गांधीनगर वरिष्ठ तकनीकी प्रशिक्षक के पद पर कार्य करने का अवसर प्राप्त हुआ।

इस लम्बे सफर को सुगम बनाने के लिए मेरे प्रिय चाचा जी श्री राम ललक सिंह जी का उचित मार्गदर्शन सदैव मेरे साथ रहा। इस आनंदमयी सफर को मैं कुछ चित्रों के माध्यम से दर्शाने का प्रयास करूँगा।

अंत में मैं 26 जून 2024 का दिन जो कि HLSA के लिए दुःखो का पहाड़ लेकर आया था, उसे अपने डायरी में लेखन के माध्यम से व्यक्त करूँगा।

 श्री ध्याजली
 यह दुःख सूचना प्राप्त होते ही, हम सभी के हृदय को आघात पहुँचा है।
 हम सभी अंतरहृदय से ईश्वर से प्रार्थना करते हैं कि, उनकी पवित्र आत्मा को शांति प्रदान करें।
 एवं अपने चरणों में सर्वश्रेष्ठ स्थान प्रदान करें।
 मेरी उनसे सर्वप्रथम भेंट, सन् 2006 में हमारे मुख्य कार्यालय जोधडा में हुई थी। उनके मुख का तेज चहरे पर मुस्कुराहट और उनका सरल स्वभाव मुझे बहुत प्रभावित किया।
 मैंने उसी क्षण निश्चय किया कि, उनके इस शैली और प्रतीभा के कुछ गुण अपने जीवन में भी समाहित करने का कोशिश करूँगा।

 इसी के साथ मैं अपने शब्दों को विराम देना चाहूँगा।
 और ईश्वर से प्रार्थना करता हूँ कि, उनके पियूषों को इस पहाड़ जैसे दुःख की घड़ी में शक्ति प्रदान करें।

CRICKET TOURNAMENT 2025

CRICKET BEYOND BOUNDARIES: CELEBRATING TEAMWORK, TENACITY, AND THE THRILL OF THE GAME THIS YEAR'S CRICKET TOURNAMENT WASN'T JUST ABOUT SCORES AND WICKETS — IT WAS ABOUT UNITY, SPORTSMANSHIP, AND THE ELECTRIFYING SPIRIT THAT BROUGHT HLSA FAMILY TOGETHER. UNDER THE SCORCHING SUN AND AMIDST ROARING CHEERS, TEAMS SHOWCASED MORE THAN JUST TALENT — THEY DEMONSTRATED HEART, HUSTLE, AND HARMONY.

TECH CITY MARATHON

This marathon wasn't just about miles — it was about making every step count for a safer world for women. With every stride, we raised our voices against fear, inequality, and silence. Together, we ran to spread awareness, spark conversations, and demand action.

From the starting line to the finish, we carried a message: Women deserve to feel safe — everywhere, every day.

Thank you to every runner, volunteer, and supporter who stood up, showed up, and ran for a cause that matters. The journey doesn't end here — it continues with every step we take toward a safer tomorrow.

 **Mission: Reach the Rig**

Your Brain. Their Journey. Our Mission.

Our HLSA Engineers are all set to hit the field – but there's a twist! The path to the Oil Well Site is a maze of confusion, detours, and dead ends.

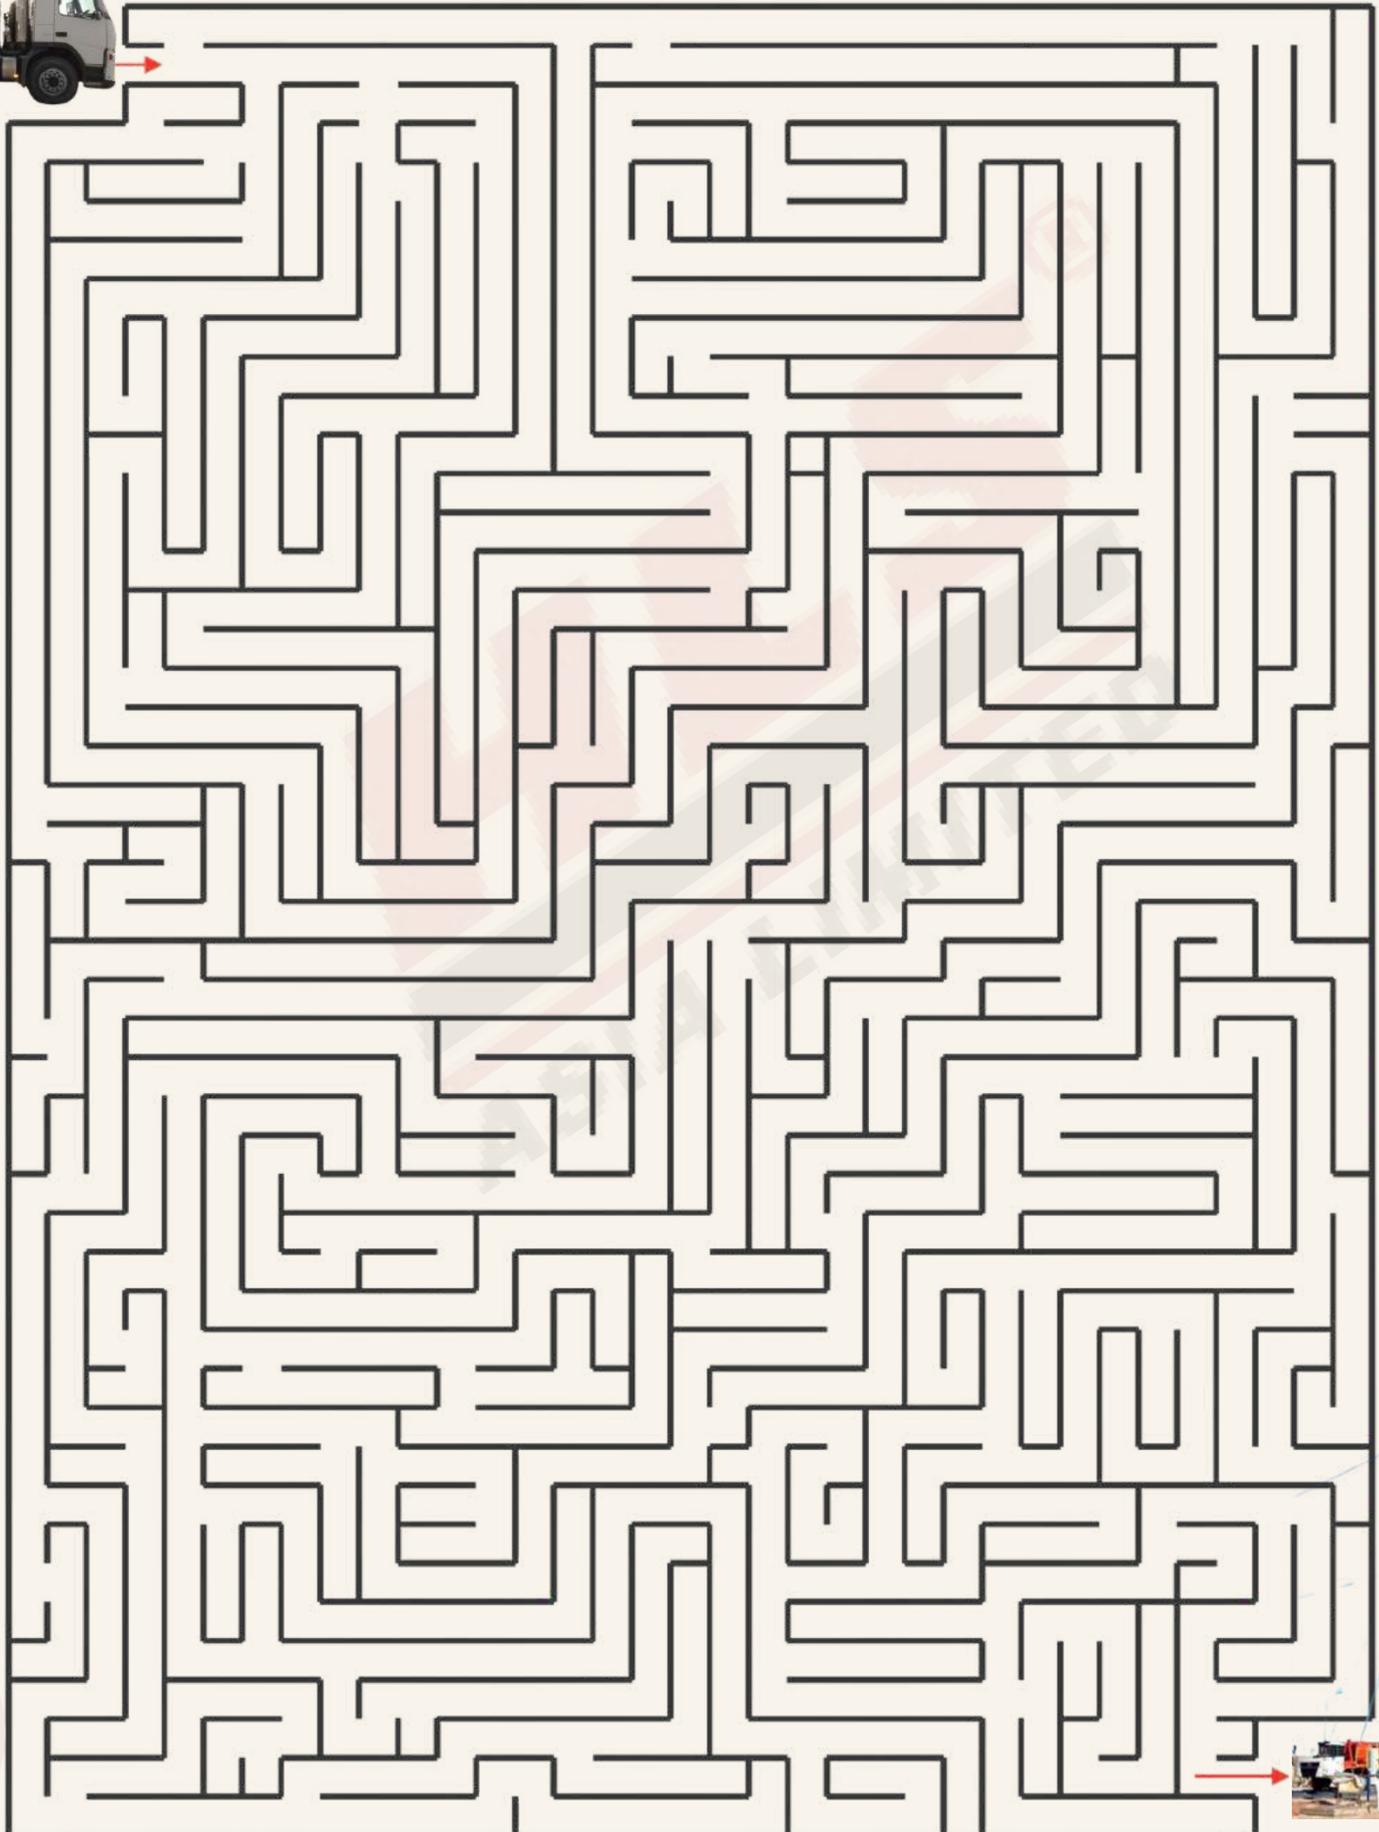

Can YOU trace the fastest route and help them arrive on time? This isn't just a puzzle – it's a tribute to our spirit.

"Walk That Extra Mile" to help our engineers reach their destination on paper!

 **EXTRA MILE. EXTRA REWARD.**

To honor the fastest minds, the first 3 Navigators will receive a surprise mystery gift – carefully chosen to reflect the courage, curiosity, and commitment it takes to reach the rig.

This is more than a game – it's a mindset. Let's live it.

"SETTING STANDARDS. SAVING LIVES. SHAPING LEGACIES – THE HLSA PROMISE"

At HLS Asia, excellence is not just a goal—it's a commitment embedded in every process, every project, and every person. This edition celebrates the unwavering dedication of our team to the highest standards of Health, Safety, and Environment (HSE), reflecting our core values and the strength of our systematic and standards-based culture. From field operations to corporate corridors, we continue to walk the extra mile—ensuring safety, precision, innovation, and customer delight at every step. As we honor the achievements of our people and the legacy of HLSA, we reaffirm our promise: to deliver world-class Formation Evaluation and Completion Services while upholding the principles that define us.
